

How to run the program:

1. Open app.ecf
2. Set Void Safety to None in all directories of the project
3. Click Run button
4. Go to <http://localhost:9090/index.html>

The screenshot shows a web application interface. At the top right, there is a green header bar with the text "Sign in as admin". Below this, the main content area has a light blue background. A white modal window is centered on the screen. The modal has a title bar that says "Innopolis annual unit report, 2017". Below the title bar is a green bar with the text "Start section". The main body of the modal contains the following text: "This form collects all the information relative to the activity a unit (such as a laboratory) of Innopolis University over the calendar year 2017. It should include all activity in which at least one member of the unit has participated." At the bottom of the modal is a button labeled "Start survey".

If you want to go to admin page – click on button ‘Sign in as admin’ (Login – admin, Password - admin)
